### U.S. NAVAL HOSPITAL YOKOSUKA POLICY STATEMENT "ENVIRONMENTAL PROTECTION"

The mission of U.S. Naval Hospital, Yokosuka, Japan is to provide medical, operational and contingency support for active duty Service members, family members and other eligible beneficiaries in Japan, Korea, and Diego Garcia. We recognize our responsibility to leverage our environmental leadership to achieve stewardship in the preservation and protection of our natural resources and the environment.

We are committed to:

- a. Minimizing our impact on the environment through education, pollution prevention, and conservation of our resources.
- b. Integrating sound environmental practices into our daily decisions and activities.
- c. Establishing and maintaining environmental objectives and targets to minimize adverse environmental impact.
- d. Continually improving our decisions, practices, and activities to achieve environmental sustainability.
- e. Complying with all the applicable legal and other requirements as outlined in the host nation environmental governing standards and OPNAVINST 5090.1E.

This environmental policy will be communicated to all individuals of our command and will be made publicly available.
