

Open House 2024

Each summer, U.S. Naval Hospital Yokosuka offers two half-day open houses for interested Japanese physicians and Japanese medical students. The open house is designed to orient attendees to the hospital and its fellow training program. It is highly recommended to potential fellowship applicants who are unable to attend as externs.

No application is required, but attendees must be registered in advance. To register, please send an email including your full name, age, date of birth, present address, nationality, current work place, and name of the medical school you attended or currently attending. Send the information in both English and Japanese to: usn.yokosuka.navhospyokosukaja.mbx.nh-yokosuka-fellowship-info@mail.mil. Be sure to provide the date you prefer to participate. You must register at least 2 weeks prior to the open house.

Dates for summer Open Houses will be the **Wednesdays 10th and 24th July 2024**. Each session will last from 1200 to approximately 1600.
