

# Open House 2026

---

Each summer, U.S. Naval Hospital Yokosuka offers two half-day open houses for interested Japanese physicians and Japanese medical students. The open house orients attendees to the hospital and the fellowship training program. We highly recommend potential fellowship applicants who were unable to attend as externs participate in the open house.

To register, email [usn.yokosuka.navhospyokosukaja.mbx.nh-yokosuka-fellowship-info@health.mil](mailto:usn.yokosuka.navhospyokosukaja.mbx.nh-yokosuka-fellowship-info@health.mil) and ask for an application form. Then request a drop-off link to submit the completed application form through DoD SAFE (see instructions on the next page). Be sure to provide the date you prefer to participate. You must register at least two weeks before the open house.
